PUBLIC HEARING FOR MEENA LLC SITE PLAN APPLICATION REVIEW

3. Ms Swanick provided a brief introduction of the application and raised an issue with the Request for Waiver for Site Plan Review. Per Effingham Zoning Regulations 2207.A, a gas station is a Prohibited Use within the Groundwater Protection District, within which this property is located. Discussion was held:
 - a. Mr. Cahalane suggested that this application should be sent back to the Zoning Board of Appeals ("ZBA") for review. He questioned the number of apartments noted on the application, and when these were added.
 - b. Ms. Chick stated that this is a multi-family unit which is required to have 1.25 acres per dwelling.
 - c. Mr. Fogg explained that this was reviewed by the ZBA and request to change the laundromat to another apartment was approved, and therefore was sent back to the Planning Board for Site Plan Review.
 - d. Ms. Chick explained that this request should be a Variance, not a Special Exception.
 - e. Mr. Potter requested a history to determine when each building was added on the property.
 - f. Ms. Boyden explained this could be researched through the Assessing Department.
4. MOTION: Mr. Cahalane made a motion to continue the Public Hearing for review of this

 - a. Total of 433 acres. Owned since 12/1994.
 - b. Owner is requesting to expand pavilion, used for cooking and dining
 - c. In 1995, the owner gave an overview to the Board of Selectmen, and was advised he did not need any permits since no zoning was in effect at that time. Buildings were added to property prior to zoning enactment, although the adjacent residential property has had appropriate permits approved. In 2006, the owner requested to build a barn and was advised he needed a Site Plan Review. No application was received.
 - d. Ms. Boyden is requesting permission to issue a building permit with the condition that a Site Plan Review is completed within 3-6 month. Requesting this deviation from normal practices due to pandemic and delay in bringing to Planning Board.
 - e. Ms. Swanick advised that a Site Plan Review is required.
 - f. Mr. Cahalane advised that this appears to be a Non-Conforming Use.
 - g. Discussion held regarding Ms. Boyden's request and whether this is a recreational use facility. It was agreed that this is a pre-existing non-conforming use, and therefore should be reviewed by the ZBA.
 - h. Ms. Boyden will advise the applicant of the requirement to go before the ZBA. She will also advise that the applicant can petition to have a joint meeting with the ZBA and Planning Board, to expedite the application.
10. Ms. Swanick announced that the Board will use the 3rd Thursday meeting for work session. The Board's forms and applications templates, manual updates and CIP will be discussed at the next meeting (May 20 at 6:30 pm). Ms. Chick will take notes.
