Re: Site Plan Submission from Meena, LLC

Dear Chair Swanick,

In accordance with the Planning Board's instructions at the last public meeting, please find enclosed ten (10) sets of plans from Meena, LLC ("Meena") and three (3) copies of the ancillary documentation requested by the Planning Board as part of this process.

If you or the Planning Board have any questions about this plan set or supporting documentation, please do not hesitate to contact me directly at mjohnson@devinemillimet.com or at (603) 695-8727.

Thanks in advance for your careful review of this important project.

Very truly yours,

/s/ Matthew R. Johnson
